REACH Compliance Statement

Subject: Compliance with Regulation (EC) No 1907/2006 – REACH

1. Scope

In accordance with the REACH Regulation, we supply PVC Foam sheets as defined by REACH (i.e., objects whose shape, surface, or design determines their function to a greater degree than their chemical composition). As such, we are obligated to communicate the presence of any Substances of Very High Concern (SVHCs) above the threshold of 0.1% w/w, if applicable.

2. SVHC Candidate List

As of June 25, 2025, the Candidate List includes 250 substances. We maintain regular communication with our supply chain to identify and assess the presence of any of these substances.

3. Declaration of Compliance

To the best of our knowledge and based on supplier declarations, none of the articles we supply contain SVHCs above 0.1% w/w, nor do they contain substances subject to Authorisation (Annex XIV) or Restriction (Annex XVII).

4. Monitoring and Updates

We actively monitor updates to the REACH Candidate List and any regulatory developments. This statement will be updated accordingly should any changes occur in our product composition or in the REACH regulatory framework.

5. Article 33 Obligation

In the event that any supplied article contains an SVHC above 0.1% w/w, we will fully comply with Article 33(1) of REACH and provide the necessary information to our customers.

Signed on behalf of Ex - Cel plastics.

Date: 20.01.2026

Peter Colon

Production & HSE Manager
