

August 2023

REACH DECLARATION

To Whom It May Concern:

We hereby confirm that the products manufactured by **Plaskolite ("Polygal Plastics Industries Ltd.", "Panchim Ltd.")** have been assessed according to the European Regulation (EC) 1907/2006 of the "Registration, Evaluation, Authorization and Restriction of Chemicals" (**REACH**).

We also declare:

1. The products and their packaging are 'articles' as defined by REACH and do not require registration or notification to the European Chemicals Agency (ECHA) by importers in European Union member states.
2. To the best of our knowledge the raw materials and the final products do not intentionally contain any of the substances in a concentration of 0.1% or higher by weight listed in the current European Chemicals Agency (ECHA) "Candidates List of Substances of Very High Concern (SVHC)" last updated on June 14, 2023
<https://echa.europa.eu/candidate-list-table>
3. An updated declaration will be published immediately after new substances are added to the Candidates List, as published from time to time on the European Chemicals Agency (ECHA) website.

On behalf of Plaskolite
