Re: Presence of Poly- and Perfluorinated Substances

Dear Quentin Braun,

This letter is in response to your request for information regarding the below listed product, as supplied by Trinseo.

- Altuglas[™] Cast PMMA sheets

Substance(s) of Interest

- Poly- and Perfluorinated Substances

To the best of our knowledge, the above mentioned product is not intentionally manufactured or formulated using the Substance(s) of Interest.

Since these substances are not expected to be present, please be advised that we do not routinely analyze our materials for these substance(s).

Should you have any further questions, please do not hesitate to contact myself or your Account Manager.

Sincerely,

Dr. Martin Köstler
Global PMMA Product Stewardship Specialist
